

PAYING TOO MUCH FOR YOUR PRESCRIPTIONS AND MEDICAL EXPENSES?

Thousands of Kentuckians are paying for premiums, deductibles and co payments that should be paid for them by the state.

You could be one of them.

The State Health Insurance Assistance Program is looking for people who receive Medicare benefits because of age or disability entitlement to enroll them in benefits programs they are eligible to receive.

Call your State Health Insurance Assistance Program today to start saving money on your medications and medical expenses!
